MEET THE TUTORS

RICHARD PORTER

Richard is a GDC registered specialist in four areas: Prosthodontics, Endodontics, Periodontology and Restorative Dentistry. He was appointed as a Restorative Dental Consultant in a large London teaching hospital and maintained this role for just under 20 years. He was care group lead for facial trauma, oncology, deformity and complex dentistry for eight years whilst maintaining a solo private specialist referral practice. He is now a practice principal of the Aspire Dental Practice and Wellness Clinic, and a post-grad student in Psychology and Behavioural Sciences and plans to remain so for the foreseeable future. His passions are education, understanding the human mind and how this links to preventative medicine and human wellbeing. He is CoFounder of the Aspire Dental Academy, the UK's largest private postgraduate academy and has trained several consultants, many specialists, along with over 2000 postgraduate GDPs.

MEET THE TUTORS

RAHEEL MALIK

Dr Raheel Malik has spent over a decade in private practice, working in some of London's most prestigious areas including Notting Hill, before co-founding his own state-of-the-art private clinic in Oxford Circus alongside Richard Porter. He graduated with honours in Biomedical Sciences before qualifying as a dentist from King's College London, where he received multiple national awards, including Student Clinician of the Year and winner of the UK Dentsply/Ceram.X Case Contest. Upon graduation, he was honoured with the prestigious Academy of Operative Dentistry Award. Raheel's commitment to clinical excellence and education has earned him continued recognition throughout his career. His first publication came as a student, and he has since contributed to several respected journals, including the Journal of Oral Implantology, International Journal of Dentistry, Journal of Craniofacial Surgery, and Dental Update. Over 14 years ago, Raheel co-founded Aspire Dental Academy with Richard. Together, they have educated and inspired thousands of dentists through Aspire's hands-on programmes—helping clinicians at every stage of their careers refine their skills, elevate their standards, and ultimately deliver better patient care.
